—Please Read—

Many thanks to you, our patrons and friends.

Since 1941 we have been introducing many roses and experimenting on many others.

Up to the present time, we have introduced the following roses: Pasadena Tournament, Climbing Pasadena Tournament, Lady Anne Kidwell, Red Sweetheart, Climbing Chris, Stone, Denny Boy, Honey, Sunset Climber, The Dazzler, Colin Kelly. Our experiments in the past two seasons have led us to understand and produce dozens of new varieties. Starting in January, 1956, we will again introduce roses that, we hope, all our rose-loving patrons will ask for—such names as: "My Gal Joyce", "Larry Boy," "Wally Boy" and "Morning Star," which are already being produced in quantities to meet the demand. Also, many others, such as the two pictured on Page 9, are being produced at present.

I would like to call your attention to the following statement:

"Introducers as a whole have been proud to call all introductions of new roses as **Inventions**, or **Originations**. We only germinate a seed that has been cross-pollenized by us, or by a bee, and thus produce roses to our satisfaction. The good Lord himself "invented" the original rose, with its organs of pollen, stamen and the rest that goes with it. One only germinates seeds to produce new color or a sturdier plant."

# ***Exclusive Marsh Floribundas***

## **PASADENA TOURNAMENT**

### **Red Cecile Brunner**

(Pat. 578) Named for the world-famous Tournament of Roses at Pasadena, this fine floribunda is the perfect red counterpart of the familiar Sweetheart Rose, Cecile Brunner. Small, dainty, bright red buds, and beautiful velvety red open flowers. In the garden Pasadena Tournament makes a compact small to medium sized bush, well clothed in rich green foliage. Nearly thornless, it can be used in masses close to walks without danger of torn clothing. See illustration masses close to walks without danger of torn clothing.

\$1.75 each, 3 for \$4.65

## **CLIMBING PASADENA TOURNAMENT**

### **Climbing Red Cecile Brunner**

(Pat. 797) A fine climber with the same practically thornless habit and dainty, deep red "Sweetheart" type buds which open to marvelously velvety textured flowers of fine form, high centers and with the same excellent keeping qualities so admired in the bush type.

\$1.75 each, 3 for \$4.65

## **LADY ANN KIDWELL**

(Pat. 1226) It is another Sweetheart type similar to Pasadena Tournament and Red Sweetheart but distinct in the shape of bud and open flower. The delightful long buds with gracefully pointed petals of rich pink to almost red in cooler weather will take your attention. Growth upright to about 4 feet and the free flowering habit and fine healthy reddish tinted foliage densely covering the plant make this a fine addition to our list of floribunda roses.

\$2.00 each, 3 for \$5.25

## **RED SWEETHEART**

(Pat. 577) Another Marsh introduction. Carmine red buds opening to rose red blooms. The flowers are slightly smaller than those of Pasadena Tournament when fully open. The buds make exquisite corsages, boutonnieres.

\$1.75 each, 3 for \$4.65

## **HONEY**

(Pat. right reserved) A neat little semi-double floribunda, new last year. Plants grow 1½ feet high, and bear a continuous crop of chartreuse yellow buds which open to lemon-yellow flowers, turning to creamy lemon occasionally touched with pink. Appealing.

\$2.00 each, 3 for \$5.25

## **DENNY BOY**

(Pat. 1105) A new Marsh rose. The buds begin as bright yellow little jewels, and the opening flower is a creamy yellow. But each day the color changes—first a faint blush of ruddy orange, then a speckling of light pink, and as the days go by each flower evolves through darker pink, coral, cherry and finally to a deep ruby-red. And yet, where the magic of the sunlight failed to fall, the petals are still pale gold. Flowers are long-lasting, and the plants bloom steadily all season long. A superb, enduring cut flower, and a faultless hedge rose. Denny Boy is the finest and most unique floribunda you can grow.

## GUARANTEE

We guarantee all our nursery stock to be true to name, and every plant to be alive when it reaches your hands. If you are not pleased with the appearance of the stock, return it to us at once, before planting, and we will replace it or refund your money.

However, after the plants leave our nursery, weather, soil and care govern their life and condition; therefore, we will not be responsible for the continued life of the plants, or for the crop. Our liability, in all instances, is limited to the purchase price of the nursery stock.
